

HAPPY BIRTHDAY

Party Packages

Our parties include gymnastics instruction for the kids, supervised and run by friendly and energetic instructors. Gym time is followed by a chance to open presents, play games, and enjoy any refreshments you would like to provide for your group. We will provide party professionals to run the party, help with guests, and clean up the mess! Each guest will also leave with their very own Perfection Gymnastics T-shirt!

Party Rules and Policies

In order to provide our birthday party participants with a fun, safe party, we ask that you please abide by all safety rules and policies. We reserve the right to end a party if policies are not met.

- Parents and Adults are to remain in the lobby space during the party. The birthday child's parent may enter the space under direction of a coach for taking pictures **only**. Absolutely no parents or adults will be allowed on any gymnastics equipment (gym floor, equipment, trampolines, inflatables, etc.) under any circumstances.
- Food and drinks should remain in the lobby, never in the gym space.
- No alcohol is permitted in the facility or on the property.
- You may arrive up to 30 minutes prior to the start of your party for setup. We ask that you kindly clear the space within 20 minutes past the end of the party time to allow our staff a chance to clean and prepare for other events.
- Parties should be booked at least 2 weeks in advance. Parties booked within 2 weeks on the party date will be subject to availability- we do our best to accommodate!
- Waivers are needed for every child who participates in the gym. We recommend you print these from our website and send them with invitations for a faster start to your party. However, we always have extras on hand that day.
- Your \$40.00 non-refundable deposit is required to book your party. Placing a valid credit-card on file is also required, regardless of your final payment method. Final payment is due no later than the start of your party. Payment is determined by the number of participants and any overages will be reconciled on your account within two days of the party.

Common Questions and Reminders

- The birthday child does NOT count towards the number of students participating in the party.
- Perfection has invitations available on our website complete with directions and a map to the gym!
- Please keep in mind that booking a party does not reserve the entire gym space, nor is there any guarantee for a private party room. Each party is given a designated, reserved space to celebrate.
